

Shanyn & Jonathan

What started as a casual date after meeting online has turned into a heartwarming love story for Shanyn and Jonathan. The night before Jonathan decided to propose to Shanyn, he asked her father for permission over a beer at the local pub. On the night he popped the question, the couple went for a walk through Kings Park at sunset, where – at their favourite spot overlooking the city – Jonathan got down on one knee and proposed. Their wedding ceremony was held at The Sunken Garden at The University of Western Australia, with approximately 120 guests. The couple’s reception followed at Pagoda Resort Spa; the beautiful chandeliers, wooden bar and grand piano perfectly suited the couple’s classic, vintage style. Shanyn’s lace, mermaid-style gown was purchased from Oxford Bridal; it was altered to extend the train by a metre, and removable, off-the-shoulder straps were added. Shanyn’s classic red-rose bouquet also featured fern greenery, which was the perfect finish to her gorgeous gown.

“Don’t rush. Take the time to be with friends and family. Enjoy being the highlight of the day and the reason everyone is there!”
